

Desert camp - with Jin Shin Jyutsu (1 week)

Desert camp with 5 to 8 days of camel trekking - with Jin Shin Jyutsu (2 weeks)

Where?

Desert camp "Jbil" at the foot of high desert dunes, 80 km south of the oasis-city of Douz. Remember: *Go to the desert and seek. Whatever you may seek, however, you will find only yourself. That is the great gift of the desert.*

The camp has tents for cooking and meals, simple showers and toilets (latrines)

What?

Experience the peace, strength and vastness of the desert by simply being and walking in the soft, warm sands of the dunes near the camp, meditating and practicing Jin Shin Jyutsu. Experience how your energy begins to flow in the shelter of pure nature. Sleep in real Berber tents or underneath skies with millions of stars. Enjoy southern Tunisian specialties, including the matchless bread that is baked in sand. Trek with dromedaries. Take pleasure in romantic evenings around the campfire, complete with music and dancing.

Camel trekking - with Jin Shin Jyutsu (2 weeks)

What?

A 10 to 12 day walk and/or ride through the ever-changing desert landscape. A chance to experience a deep sense of well-being. A time to be entirely in the Here and Now and to be at peace with yourself, to let go of the old and let the new in. The guides are experienced nomads who share a part of their lives and rich culture. Evenings are spent around the campfire, eating, singing, dancing, sharing stories. The nights spent sleeping under a sky with a million stars (or in a genuine Berber tent) are among the most intense experiences on this journey to yourself.
